Advertising Guidelines

2024-2025

Unitrans operates a fixed-route transit service in Davis, California, serving over 35,000 students at the University of California, Davis, and 65,000 residents in the community of Davis. The system is almost entirely operated by UC Davis students, including bus drivers, supervisors, and managers. Normal daily ridership is nearly 20,000 passengers on our eighteen routes (during the regular school year), with an annual ridership of at least 3 million passengers. Buses run from 7:00am to 10:30pm (Double-Deckers run until 7:00pm), ensuring maximum advertising exposure to the student population and community of Davis. Our routes serve the Downtown area and all major apartment and student living areas, running throughout the entire city and the core of the UC Davis campus. More information can be found at <https://unitrans.ucdavis.edu>.

Advertising space is available on the interior of 38 single-deck buses, the exterior of 4 modern double-deck buses, the exterior of 24 single-deck buses and on the on-board digital displays of all 14 battery-electric single-deck buses.
